Introduction:

T Wallet is the official digital wallet of Telangana State. It serves through Online (Desktop, laptop), Smart Phone, Feature Phone and even No phone. Citizens with feature phone or no Phone can use Mee Seva centers to open T Wallet, Load money into wallet and make payments. Smart phone users can use T Wallet App for Android or iOS. Desktop and laptop users can use T Wallet Web Application provided they have Feature Phone or Smart Phone.

T Wallet uses two factor authentication for registration using web application. It uses Aadhaar and OTP to Aadhaar linked phone number.

This document communicates features of the T Wallet Web Application.

Registration

In order to use T Wallet, user has to first register with it. If the registration is successful, T Wallet a/c is created for the user. There is no charge to the citizen for registration.

URL for the web application is <https://twallet.telangana.gov.in> . Through web application, Registration can be done using Aadhaar OTP (Aadhaar and OTP to mobile registered with Aadhaar). The following is the Login cum Registration screen. It is known as “Login Screen” .

➔Need Help?

1. Click on NEED HELP link it will redirect to the HELP AND FAQ's so that the user will get some knowledge about what is the T Wallet and what kind of functionalities are available.

The screenshot shows the T Wallet website homepage. The header includes the T Wallet logo, portraits of the Chief Minister and Minister, and the Government of Telangana logo. The navigation bar contains links: HOME, ABOUT, POLICIES, TRAINING, USER ENVIRONMENT, CONTACT US, DASHBOARD, DEPARTMENTS, MERCHANTS, and DIGITHON. The main content area features a banner 'T Wallet - Anytime Anywhere digital payment option for Everyone' and a 'Key Features' section. On the right, there is a 'SIGN IN' section with fields for mobile number, password, and captcha, along with 'Login' and 'Register' buttons. A 'Need Help?' link is highlighted in a red box. Below the main content, there are sections for 'NEWS AND EVENTS' and 'PHOTO GALLERY'.

- ⇒ Just click on the panel which is available in left side of page the details will available related to each functionality.

The screenshot shows the T Wallet Help and FAQ page. The page has a purple header with 'T WALLET' and 'Help and FAQ'. A left sidebar contains a list of categories: Registration, Upgrade Wallet, Load Money, Bill Payments, Send or Recieve Money, IMPS, TPIN Funtionality, Transaction Related In..., Favourites, Password, Email, Mobile Recharge, Bus Ticket, and Privacy and Setting. The main content area shows the 'Registration' section with questions like 'How do I create an account in T Wallet?', 'Is there any fee for using T Wallet account?', 'What are the different types of T Wallet accounts and how to open these accounts?', 'How long I can hold the Non KYC wallet a/c (Low KYC a/c or Medium KYC a/c)?', and 'What is cooling period?'. The 'Upgrade Wallet' section has the question 'How do I upgrade my wallet?'.

Login -

After creating the T Wallet a/c through registration, user needs to login every time before using the T Wallet services such as Load money, Fund transfer, Bill payment, etc.

In order to login, enter Mobile Number and Password in the “Login Screen” as shown below.

⇒ After Successful login, “Home Page” is displayed as shown below.

⇒ Language selection is available in this screen. There are three options for language – English, Telugu and Urdu. Default language is English.

⇒ Here the user can enter the neighbor mobile number, Amount to whom the user wants to send money and click on “SEND MONEY”.

⇒ Then it will show alert as follows.

- ⇒ Amount is debited from your wallet a/c and credited to the wallet a/c of mobile number provided.
- ⇒ The following “Success” message is displayed. If you would like to save this transaction as favorite, click on “Yes, Do it” button.

- ⇒ Once the transaction is added to favorites, the following “Success” message is displayed

The screenshot shows the T Wallet application interface. At the top, there is a header with the T Wallet logo, portraits of Sri K. Chandrababhu Naidu (Hon'ble Chief Minister) and Sri K. Taraka Rama Rao (Hon'ble Minister for IT, Industries MA & UD, NRI Affairs), the Government of Telangana logo, and a map of the state. Below the header is a navigation bar with links: HOME, LOAD MONEY, SERVICES, MINI STATEMENT, INVITE FRIENDS, PROFILE (with a notification badge), and LOGOUT. The main content area displays the 'T Wallet Balance : Rs. 2.14'. A 'Send Money' form is visible in the background with fields for 'Enter Mobile Number' and 'Enter Amount in Rs.', and a green 'SEND MONEY' button. A white modal box is centered on the screen, displaying a green checkmark icon, the text 'Success!', 'Added to Favourites!', and an 'OK' button. At the bottom, there is a footer with 'Co-Branded by Transaction Analysts (INDIA) Pvt. Ltd.' on the left and 'Help & FAQ's' on the right.

➔Request Money:

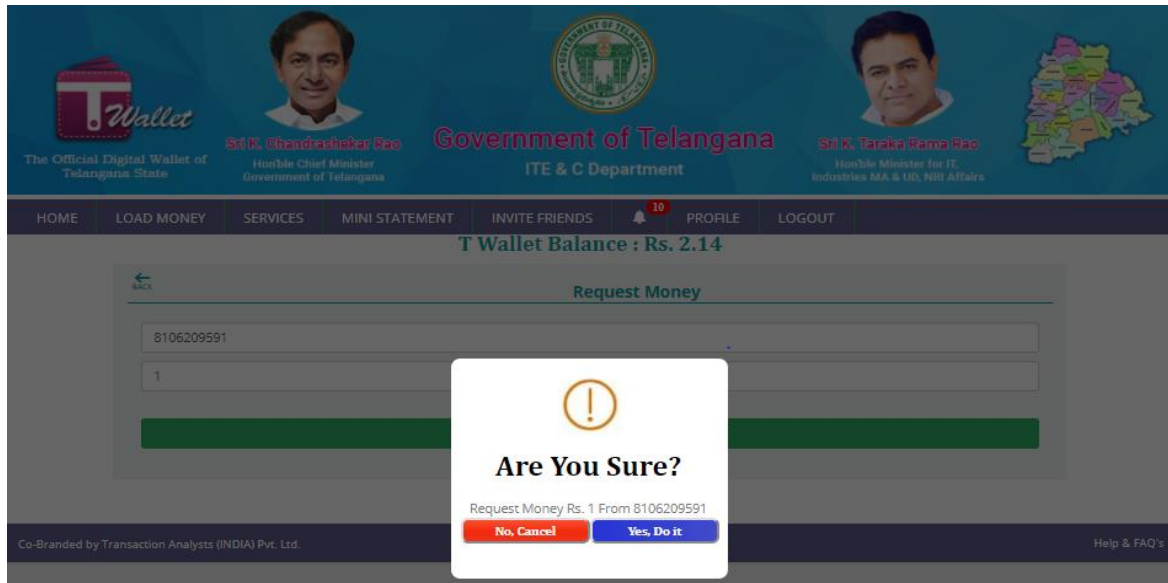

1. After clicking on "Request Money" then the page is as below.

The screenshot shows the T Wallet application interface with the 'Request Money' form. The header and navigation bar are identical to the previous screenshot. The main content area displays the 'T Wallet Balance : Rs. 250.00'. The 'Request Money' form is the primary focus, featuring a 'BACK' button, input fields for 'Mobile Number' and 'Enter Amount in Rs.', and a prominent green 'REQUEST MONEY' button. The footer remains the same with 'Co-Branded by Transaction Analysts (INDIA) Pvt. Ltd.' and 'Help & FAQ's'.

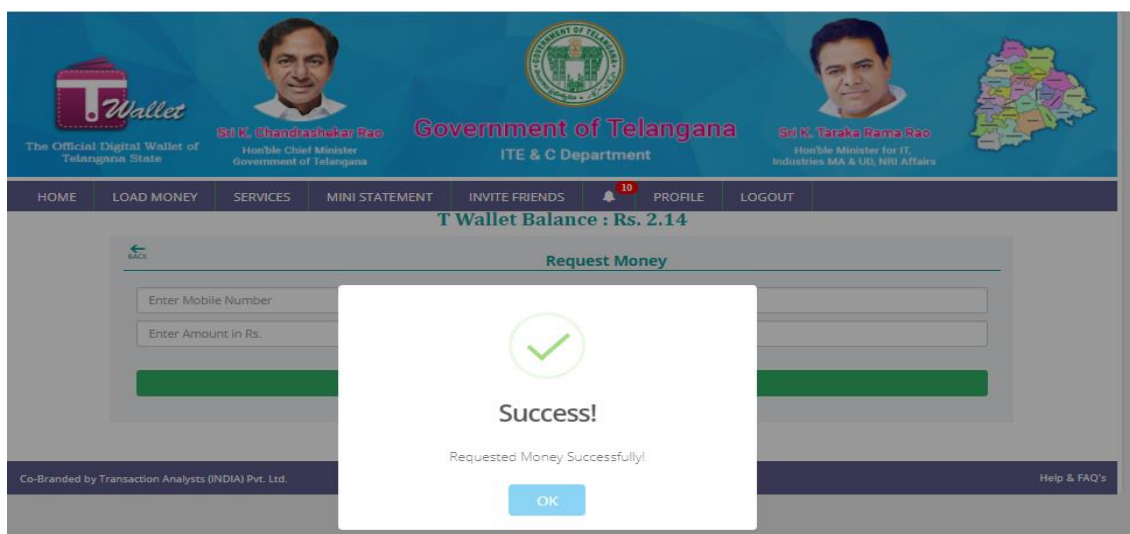

2. Here the user can enter the neighbor mobile number, Amount to whom the user needs to receive money and click on “REQUEST MONEY”.

3. Then it will show alert as follows.

4. If user clicks on “yes, Do it” then it will show alert as follow.

5. If user clicks on “No, cancel” then it will be in same page.

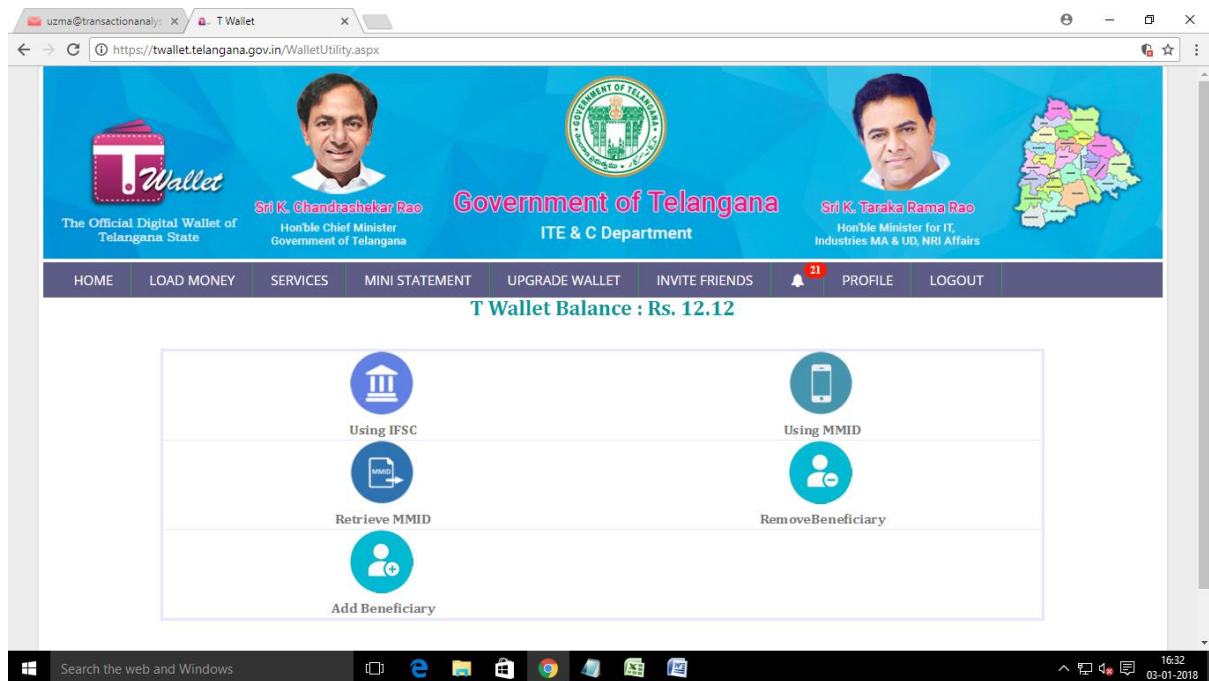

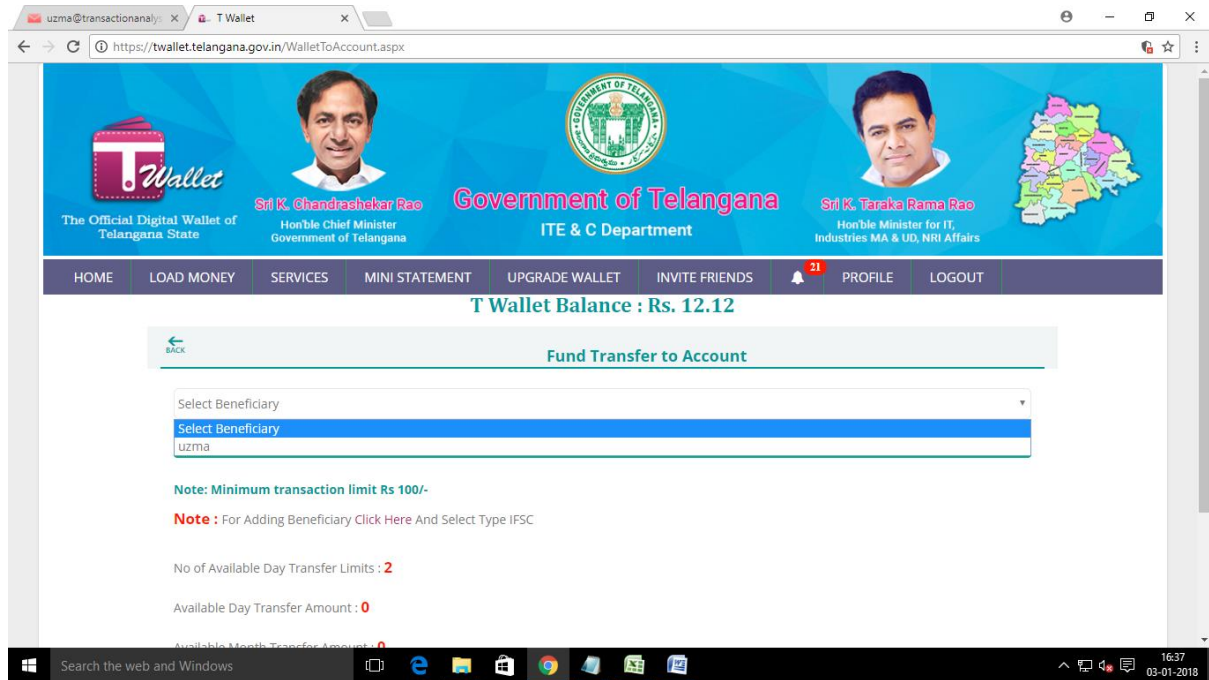

Fund Transfer to Bank a/c through IMPS

This feature enables citizen to transfer money from his / her T Wallet a/c to any bank a/c through IMPS. There are two ways IMPS can be performed. One is using IFSC code and the other one is using MMID.

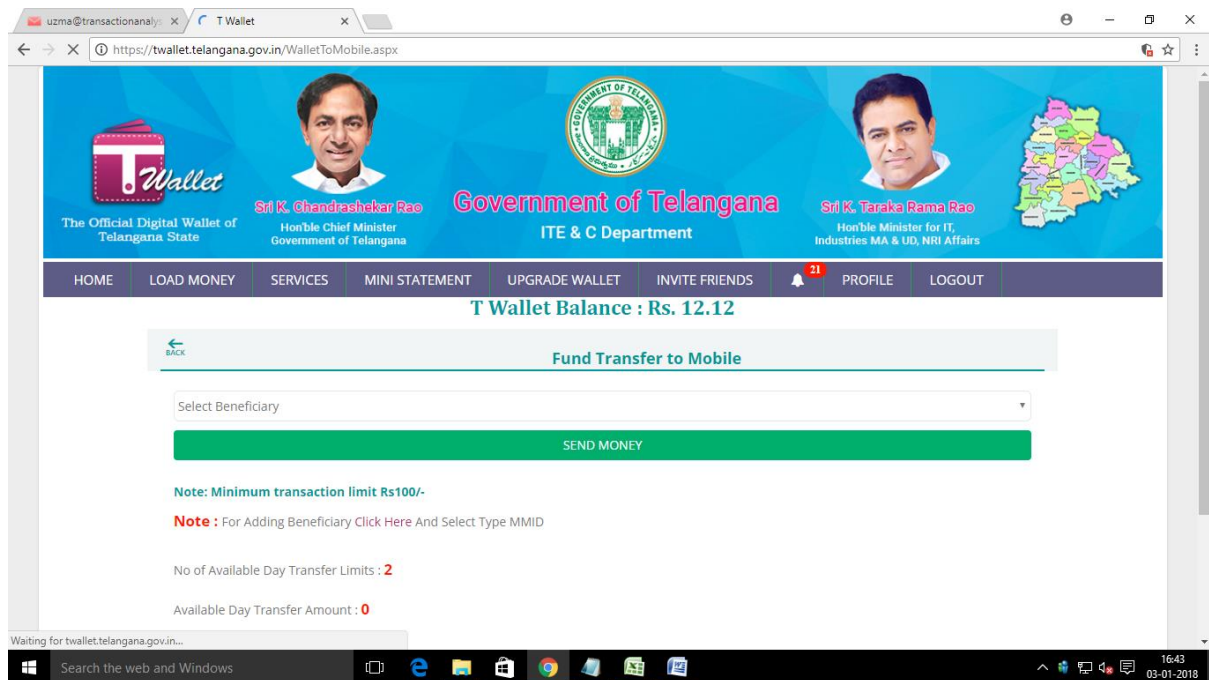

- ⇒ Click on “Services” menu in the “Home” page.
- ⇒ Click on “IMPS” icon in the “Services” page. The following screen is displayed.

- ⇒ Click on “Using IFSC” or “Using MMID” icon in the above screen. The corresponding screen is displayed as shown below.
- ⇒ If “Using IFSC”, select your bank from the dropdown list, bank A/c Number, IFSC code, and amount.
- ⇒ If “Using MMID”, enter mobile number registered with bank, bank generated MMID and the amount you need to send to your bank.
- ⇒ Click on “Send Money”.

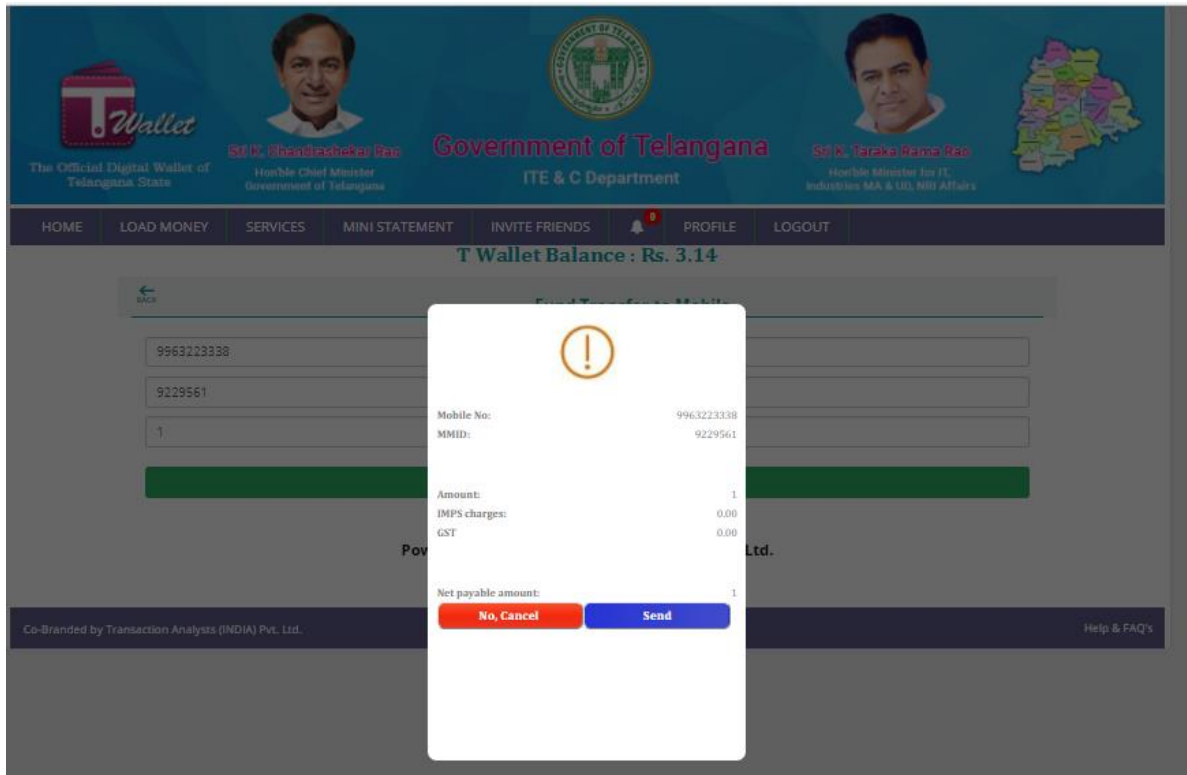

(Or)

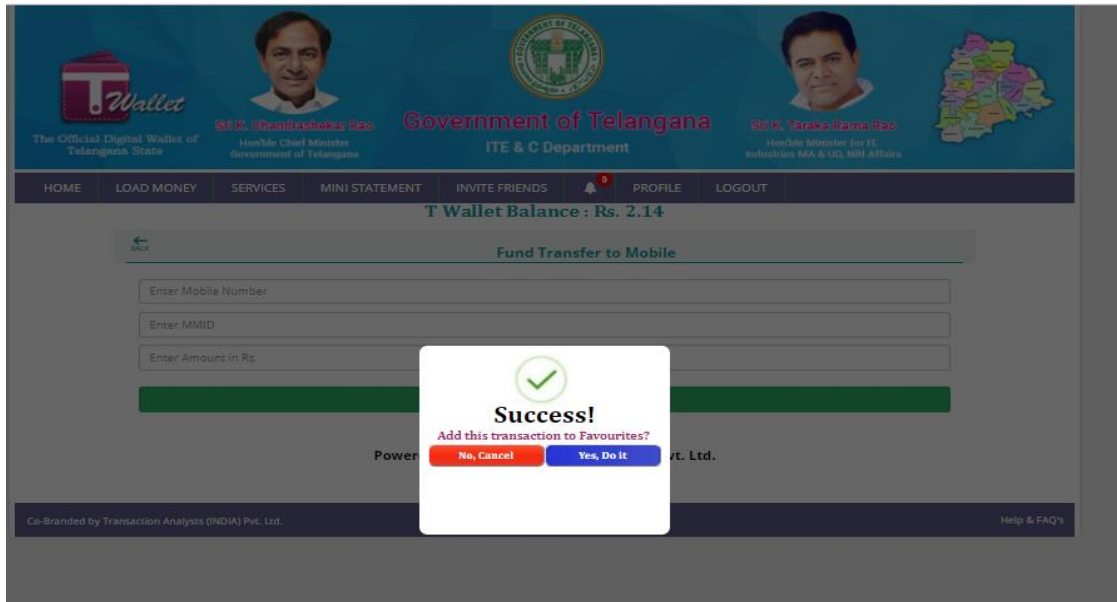

⇒ The following alert message is displayed.

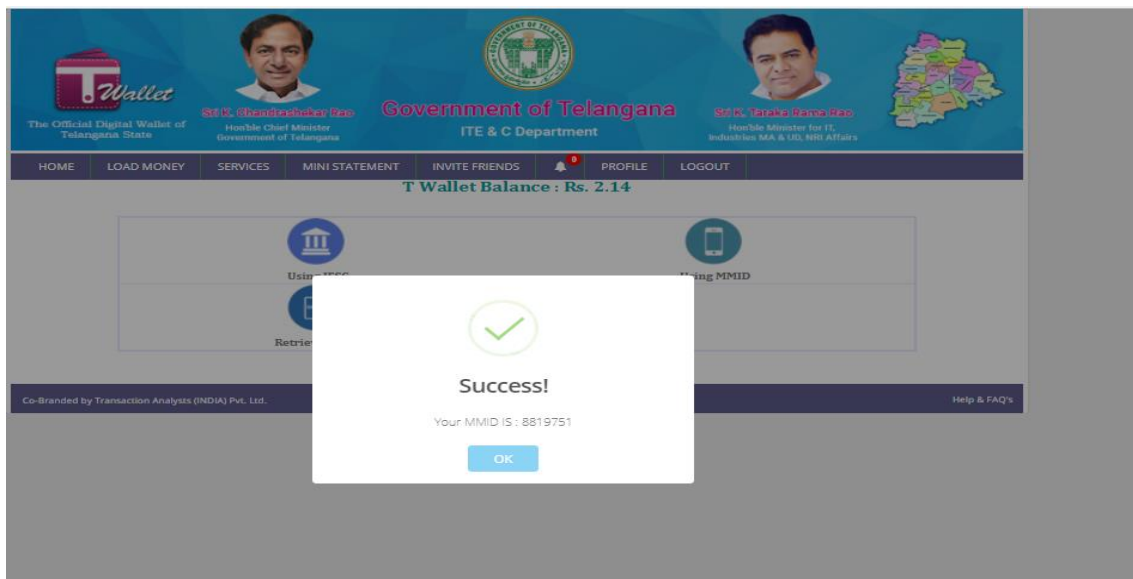

- ⇒ Verify the details displayed in the alert message and click on “Send” button if you are satisfied with the details displayed.
- ⇒ Amount is debited from your wallet and credited to your bank account.

- ⇒ An alert is displayed to add this transaction to favorites as shown below.
- ⇒ Click on “Yes, Do it” button to add to favorites so that this transaction can be repeated in future with different / same amount.

⇒ Once the transaction is added to favorites, the following “Success” message is displayed.

⇒ User can add beneficiary while clicking on add beneficiary option

⇒ below are the 3 types user can add beneficiary (IFSC, MMID and wallet)
